Subject: Request for the adjournment for submission of classification details under “others”
Ref: Trade Notice No. 46/2019-20 dated 17/01/2020 and Trade Notice No 47 dated 29-Jan-2020

Respected Sir,

Greetings from MAIT!

This is with reference to classification of goods other “Others Category” (Reference Trade Notice No. 46/2019-20 dated 17/01/2020 and No.47/2019-20 dated 29/01/2020). MAIT would like to submit that we are currently studying the classification under “others” category particularly mobiles, PCs and Servers so as to suggest appropriate HS Code for the goods imported by our members.

Due to voluminous import and technical product description, the whole exercise is time-consuming. Further, we are also engaging in detailed discussions with the technical experts in this regard. As a result, we require some more time to study the HS Codes and suggest suitable amendments therein.

In view of the above, we humbly request your kindness to allow us at least three months to have the thorough examination of the products and submit the suggestions of the appropriate HS Code.

With regards,
