Subject: Pending BIS Certification - BenQ India Pvt Ltd

Respected Sir,

Greetings from MAIT!

This is in continuation to our earlier representation on delay with the BIS in the processing of applications for new licenses, renewal of a license and inclusion of new varieties in the existing license.

One of our members is facing a challenge in the clearance of one of their applications. Since the release of these products into the Indian market is subject to approval from BIS, we request you to please look into the matter for speedy clearance. Please find below the details of pending cases for your kind perusal:

Looking forward to your positive consideration of our request.

With regards,

George Paul
